SCOTTISH ENVIRONMENT PROTECTION AGENCY FLOOD RISK MANAGEMENT IN SCOTLAND: 2024 CONSULTATION ON POTENTIALLY VULNERABLE AREAS

Flooding is a threat now. Our climate is changing, increasing the likelihood of floods, droughts, rising temperatures and storms. The Scottish Environment Protection Agency (SEPA) play a lead role in preparing Scotland for a changing climate. Identifying Potentially Vulnerable Areas (PVAs) to flooding is a vital part of protecting people, properties, businesses, communities, infrastructure and environment.

Recognising where PVAs are means we can target efforts to reduce flood risk where they are needed most. Working with our partners and public, we have used the best available evidence and previous feedback to understand the causes and consequences of flooding.

SEPA's Flood Risk Management in Scotland - 2024 Consultation on PVA's, seeks views on how we have reviewed and updated PVAs for flood risk management planning. Responses will help identify the places in Scotland which are at the greatest risk of the impacts of flooding both now and in the future.

The consultation is available on the SEPA website at <https://consultation.sepa.org.uk/evidence-and-flooding/potentially-vulnerable-areas>

The consultation will open on Monday 25 March to Monday 24 June 2024.

The preferred route for responses is through the online facility, however paper copies of the survey and supporting documentation can be seen and filled in at SEPA's Edinburgh, Euro-central and Aberdeen offices. If you would like to fill in a hard copy, please get in touch with the SEPA Contact centre (SCC) on 03000 996699 to arrange an appointment. Selected sections may be translated by SEPA on request if required. (4587029)

**TRANSPORT SCOTLAND
M8 JUNCTION 3
ENVIRONMENTAL IMPACT ASSESSMENT
DETERMINATION UNDER SECTION 55A OF THE ROADS
(SCOTLAND) ACT 1984**

The Scottish Ministers give notice that they have determined that the project for undertaking resurfacing works on the M8 prior to Junction 3 west bound is a relevant project within the meaning of section 55A of the Roads (Scotland) Act 1984 (“the 1984 Act”) as the works exceed 1 hectare in area and falls within Annex II of Directive 2011/92/EU on the assessment of certain public and private projects on the environment, but that having regard to –

- (a) the selection criteria contained in Annex III of that Directive, namely (i) the use of natural resources, in particular land, soil, water and biodiversity;
- (ii) the production of waste;
- (iii) pollution and nuisances;
- (iv) the risks to human health (for example due to water contamination or air pollution),

(b) the results of the Environmental Screening Assessment under section 55A(2) of the 1984 Act,

(c) the information set out in the Record of Determination dated 23 January 2024, available at <https://www.transport.gov.scot/transport-network/roads/road-orders-and-records-of-determination/#63527>, the project does not require an Environmental Impact Assessment.

The main reasons for the conclusion that no Environmental Impact Assessment is required are:

- (a) The works are not situated in whole or in part in a “sensitive area” as listed under regulation 2 (1) of the Environmental Impact Assessment (Scotland) Regulations 1999 (as amended);
- (b) The works are restricted to the carriageway boundary; and
- (c) Any potential impacts of the works are expected to be temporary, short-term, non-significant, and limited to the construction phase.

The features of the project which are envisaged to avoid or prevent significant adverse effects on the environment are:

- (a) Mitigation measures and best practice will be implemented to ensure no short-term or long-term significant negative impacts on the environment;
- (b) Containment measures of the working area will be in place to prevent debris or pollutants from entering the surrounding environment; and

WEST DUNBARTONSHIRE COUNCIL

FLOOD RISK MANAGEMENT (SCOTLAND) ACT 2009 AND THE FLOOD RISK MANAGEMENT (FLOOD PROTECTION SCHEMES, POTENTIALLY VULNERABLE AREAS AND LOCAL PLAN DISTRICTS) (SCOTLAND) REGULATIONS 2010 (AS AMENDED) A PROPOSED FLOOD PROTECTION SCHEME REFERRED TO AS THE GRUGGIES BURN FLOOD ALLEVIATION SCHEME

In accordance with Section 60 and Schedule 2 of the above Act and Parts III & IV of the Regulations, the Council proposes the above flood protection scheme. This constitutes a notice under Paragraph 1 of Schedule 2 of the Act.

The proposed flood protection scheme for the Gruggies Burn Flood Alleviation Scheme (hereby referred to as the "Scheme") comprises of the construction of flood defences comprising a combination of a diversion culvert, an embankment, tidal flood walls and a floodgate to reduce the risk of flooding to residential, community and business properties, public roads and car parking in Dumbarton East.

The effects of the proposed operations will be:

- Construction of a culvert from a point on the Gruggies Burn immediately north of the A82 Stirling Road via Greenhead Road, National Cycle Route 7, Oaktree Gardens and Dogs Loan to the River Clyde downstream of the railway bridge near the existing Hunters Burn culvert outlet to divert peak flows and thereby reduce the risk of flooding from fluvial sources within Dumbarton.
- Construction of new or replacement walls to the Gruggies Burn between Glasgow Road and a point above the River Clyde shoreline normal tide levels to reduce the risk of flooding from extreme tidal flood events within Dumbarton.
- Construction of an embankment from the east side of the Gruggies Burn above the River Clyde shoreline normal tides levels eastward towards the Hunters Burn outfall to reduce the risk of extreme tidal flood events within Dumbarton and specifically properties on the south side of the rail line.
- Construction of a removable or swing tidal gate on Castle Road immediately to the south of Castlegate Avenue and the entrance to Dumbarton Football Stadium to reduce the risk of extreme tidal flood events resulting in water passing northward towards Dumbarton.
- Following construction, the inspection and ongoing maintenance of the above elements.

Summary of the benefits which the Council considers are likely to be delivered from carrying out the Scheme:

- The Scheme will reduce the risk of flooding to 530 residential and 110 non-residential properties, plus 8.7km of road across Dumbarton East in extreme flood events on the above noted bodies of water.

Availability of Scheme Documents

The Scheme Documents can be inspected or viewed without payment of a fee at:

- West Dunbartonshire Council, 16 Church Street, Dumbarton G82 1QL during the hours of 10am to 4pm Monday to Friday inclusive (exclusive of Public Holidays) during the period from 26th March 2024, being the publication date of this notice, until a final decision is made to confirm or reject the Scheme as the case may be.
- Online at the webpage: <https://www.west-dunbarton.gov.uk/gruggiesburnfloodalleviationscheme>

Objections to the Scheme

Any person may object to the Scheme. The Act and Regulations provide that an objection must:

- a) be made in writing,
- b) set out the name and address of the objector, and
- c) be accompanied by a statement of reasons for the objection.

Where an objector under Paragraph 3 of Schedule 2 to the Act has an interest in any land on which the proposed Scheme operations are to be carried out or which may be affected by any of the proposed Scheme operations, or by any alteration in the flow of water caused by any of the proposed Scheme operations, that person's objection must include:

- a) details of the land in which the objector has an interest,
- b) disclosure of the nature of the objector's interest in the land, and
- c) details of which aspects of the proposed operations affect the objector.

Objections to the Scheme should be made in writing to the Council to Gruggies Burn Flood Alleviation Scheme, West Dunbartonshire Council, 16 Church Street, Dumbarton G82 1QL or via email at GruggiesBurnFPS@west-dunbarton.gov.uk during the period from 26th March 2024 to 22nd April 2024 inclusive.

Process and Possible Decisions

The Council are responsible for taking any decision to confirm the Scheme in accordance with Paragraphs 4(1) or 9(1) of Schedule 2 of the Act, whereas the Scottish Ministers are responsible for taking any decision to confirm the Scheme in accordance with Paragraph 7(4) of that Schedule.

If no valid objections are made to the Scheme, then the Council must make the final decision to confirm or reject the proposed Scheme.

Where valid objections are made to the Scheme, the Council will consider the objections and make a preliminary decision to either:

- confirm the proposed Scheme without modification, or
- confirm the proposed Scheme with modifications, or
- reject the proposed Scheme.

Where an objection is received from a relevant objector, who is a person to whom Paragraph 5(6) of Schedule 2 of the Act applies, the Council must notify the Scottish Ministers of the preliminary decision. The Scottish Ministers must then decide whether to consider the Scheme or not. If the Scottish Ministers decide to consider the Scheme and valid objections remain, then the Scottish Ministers must cause a Public Local Inquiry to be held.

After considering the outcome of the Public Local Inquiry, the Scottish Ministers must make the final decision to:

- confirm the proposed Scheme without modification, or

AMENDED)
SOUTH KINROSS FLOOD PROTECTION SCHEME 2024**

In accordance with Section 60 and Schedule 2 of the above Act and Parts II, III & IV of the Regulations, Perth and Kinross Council proposes the above flood protection scheme. This constitutes a notice under Paragraph 1 of Schedule 2 of the Act and under Paragraph 7 of the Regulations.

The proposed flood protection scheme for South Kinross (hereby referred to as the 'scheme') comprises a combination of flood defence walls, embankments, culverts and individual property works. The flood walls and embankments will incorporate appropriate seepage cut-off, back of wall drainage, road works, accommodation works, and erosion protection measures where required. The culvert works will involve upsizing and rerouting existing culverts which will include replacement of inlet and outlet headwalls. An upstream storage area is also proposed which will include an embankment and culvert.

The defences are located on the right bank of the Gelly Burn and along both banks of the South Queich in the south of Kinross. The total extent of the proposed defences is approximately 1.4km.

The culvert upgrades will be carried out on the Clash Burn. Works are in either roadways or greenspace such as Hopefield Place, The Myre, Smith Street, Sandport and Nan Walker Wynd. The total extent of the proposed culvert laying is approximately 0.7km.

The proposed upstream storage area will manage flows from the South Queich and is located in farmland west of Kinross Services. The total extent of the proposed defence is approximately 0.6km.

Four properties along the frontage of Loch Leven have been identified for installation of property level resilience measures.

The scheme involves the following operations:

- Flood defence walls
- Flood defence embankments
- Upstream Flood Storage Area
- Culvert Upsizing
- Utility and service diversions
- Hard and soft landscaping features
- Property Level Flood Resilience to 4 properties

Summary of the benefits which the Council considers are likely to be delivered from carrying out the scheme:

The scheme will reduce the risk of flooding to 177 properties across Kinross up to the predicted 1 in 200 year flood on the above noted bodies of water.

The above scheme is subject to Environmental Impact Assessment (EIA) and an EIA Report has been submitted to Perth & Kinross Council by consulting engineers, RPS. The results of the environmental impact assessment have been incorporated into an EIA report which is included with the other scheme documents.

Process and Possible Decisions

Perth and Kinross Council are responsible for taking any decision to confirm the scheme in accordance with paragraph 4(1) or 9(1) of schedule 2 of the Act, whereas the Scottish Ministers are responsible for taking any decision to confirm the scheme in accordance with paragraph 7(4) of that schedule.

If no valid objections are made to the scheme, then the Council must make the final decision to confirm or reject the proposed scheme.

Where valid objections are made to the scheme, the Council will consider the objections and make a preliminary decision to either:

- a) confirm the proposed scheme without modification, or
- b) confirm the proposed scheme with modifications, or
- c) reject the proposed scheme.

Where an objection is received from a relevant objector, who is a person to whom Paragraph 5(6) of Schedule 2 of the Act applies, the Council must notify the Scottish Ministers of the preliminary decision. The Scottish Ministers must then decide whether to consider the scheme or not. If the Scottish Ministers decide to consider the scheme and valid objections remain, then the Scottish Ministers must cause a Public Local Inquiry to be held.

After considering the outcome of the Public Local Inquiry, the Scottish Ministers must make the final decision to:

- a) confirm the proposed scheme without modification, or
- b) confirm the proposed scheme with modification, or
- c) reject the proposed scheme.

Where the Scottish Ministers decide not to consider the scheme; the Council must hold a hearing to consider the proposed scheme. Following the outcome of the hearing, the Council must make the final decision to:

- a) confirm the proposed scheme without modification, or
- b) confirm the proposed scheme with modifications, or
- c) reject the proposed scheme. Notification of the final decision, whether made by the Council or the Scottish Ministers will be given to every person given notice.

If the scheme is confirmed, the Scottish Ministers must direct that planning permission for the development be deemed to be granted, subject to such conditions (if any) as may be specified in the direction. The estimated cost of the operations is fifteen million seventy five thousand two hundred and fifteen pounds (£15,075,215).

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

- 1 The Publisher's [privacy policy](#)
- 2 The Publisher's [policies relating to submission of notice](#); and
- 3 [Royal Mail general terms and conditions](#) (applicable to Notices Placers utilising the Forwarding Service)

which (as amended from time to time) together govern the submission of Notices.

Notice Placers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Notice Placers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Notice Placers who place Notices and has the authority to refuse to publish Notices from Notice Placers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Notice Placer (as defined below) agrees to be bound by these Terms and Conditions. Where the Notice Placer is acting as an agent or as a representative of a principal, the Notice Placer warrants that the principal agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Notice Placer, including any principal, agrees to be bound by the revised Terms and Conditions. For the avoidance of doubt the Royal Mail's terms and conditions above will be read subject to the terms and conditions of this Agreement and the Publisher's own terms referenced above will take precedence. The Publisher is not liable to the Notice Placer for the availability, access and/or any accuracy of any information placed on any third-party website.

"Forwarding Service" means the postal service provided indirectly via The Royal Mail, in order to use The Gazette's postal box for correspondence in order to prevent a personal address from being publicly and permanently available on the official public record;

"Local Newspaper Notice" means any notice placed in a local newspaper other than The Gazette;

"Notice" means all advertisements and state, public, legal or other

notices (without limitation) submitted for potential publication in The Gazette by the Notice Placer, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions;

"Notice Placer" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal;

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Notice Placer agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Notice Placer or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Notice Placer.

5 The Notice Placer accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final and without liability on the part of the Publisher. The Notice Placer must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall use all reasonable endeavours to notify the Notice Placer of any action required to remedy any deficiency and publication shall not take place until the Publisher is reasonably satisfied that such action has been taken by the Notice Placer. Where publication has taken place the Notice placar will be sent communication with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice. The Notice Placer agrees and accepts that the mutual obligations and undertakings under this Agreement are sufficient consideration for the enforceability of these terms and conditions which the Notice Placer agrees are fair and reasonable.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Notice Placer and/or any third party or in respect of any Notice submitted by any Notice Placer for potential publication in The Gazette, which the Notice Placer warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Notice Placer, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, a Notice Placer is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Notice Placers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Notice Placer and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Notice Placer warrants and undertakes to the Publisher:

11.1 that it has the (legal) right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

The Notice Placer agrees and accepts that the Publisher is reliant upon the services of the Royal Mail in order to deliver the Forwarding Service and accordingly any failure and/or inability of the Royal Mail to deliver the Forwarding Service shall in so far as reasonably possible not put the Publisher to be in breach of this Agreement unless the Publisher was the sole contributory to the breach and/or negligent on its part to properly supervise the Royal Mail in relation to the Services.

13 The Notice Placer agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and

including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Notice Placer (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Notice Placer as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Notice Placer shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Notice Placer shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Notice Placer and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Notice Placer to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Notice Placer, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Notice Placer acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Notice Placer or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Notice Placer accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Notice Placer accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Notice Placer agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Notice Placer acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been

withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Notice Placer's account related to such authorities and the Notice Placer hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Notice Placer hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Notice Placer expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Notice Placer;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Notice Placer. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Notice Placer and/or any third party (including, without limitation, any principal of the Notice Placer) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for

death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, which is subject to Clause 12 (above), The Gazette will replace the Notice Placer or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent via Royal Mail from The Gazette to the Notice Placer or executor (if different).

Please be aware that correspondence received by The Gazette's postal box (subject to the final condition of the mail and delivery of the same), will using reasonable endeavours be opened, scanned, and securely stored. The scans will be retained for as long as the service remains (paid for and) in place and for a period of 6 months beyond that time, so that any copies of claims can be requested and communicated to the executor (for example in circumstances where Royal Mail has failed to deliver a claim) and in using this service you are consenting to the provisions of this clause; The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be posted to the sender where possible and or securely destroyed, and the Notice Placer or executor's name and address details will be removed from the Forwarding Service.

20 The Notice Placer accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Notice Placer in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Notice Placer.

21 Please note that TSO uses Stripe on its eCommerce sites to process credit or debit card transactions. Goods that are out of stock are charged for immediately and despatched when the goods are in stock. By placing an order you agree to this process.

22 If the Notice Placer wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and Wales and the parties hereby submit to the exclusive jurisdiction of the English courts.
