The Gazette's research service

Thank you for your interest in The Gazette's research service. Please fill in the form below/overleaf, supplying as much information as you can. Once your completed form and payment have been received, the team will start a comprehensive search of The Gazette archives.

You will receive a personalised results document containing Gazette citations or notices relating to your request. Please bear in mind that although we complete an exhaustive search of The Gazette archive, we can't guarantee results for every search. If this happens, a refund can't be issued.

If you have searched for honours, such as a mention in despatches or a military medal, information may only extend to a single entry in a list of names. If you have already found this entry, we will search for further information, but this may be the only entry in The Gazette.

Please post your completed form and payment to:
